### Numeracy in Arc

Week 23

### Maths Word of the Week!

**Tessellation** - A tessellation is a repeating pattern of a 2D shape which fits together to leave no gaps.

Prefects  
Week 2

### ARC Interventions

Intervention for all year groups has started and will take place in ARC time.

An Intervention Rota including names of pupils and staff involved has been given to form tutors and it is essential pupils arrive on time and attend weekly.

Intervention includes, IDL, Lego Therapy, Link TA Meetings, Reading and Comprehension & TRUGS

### **BASE**

Base is open to pupils in Years 7 to 11 who have been issued with a pass. This is to ensure that pupils who need to use this facility have access to it.

Any pupil who thinks that they should have a pass but have not been issued with one need to see Ms Birchall.

### Start your day in the right way!

Base is now open from 8.30am each morning. If you've got any last minute changes to homework, you want somewhere quiet to read or you'd just like somewhere to go before morning tutor then come along. **Please do not come into the M&E building until 8.30am as there is no one to supervise the corridors.**
